From US-23: Get onto M-14 **West**. Exit at Whitmore Lake Rd/Barton Dr. Turn left off ramp. Bandemer Park will be ahead on right before you drive under the highway overpass.

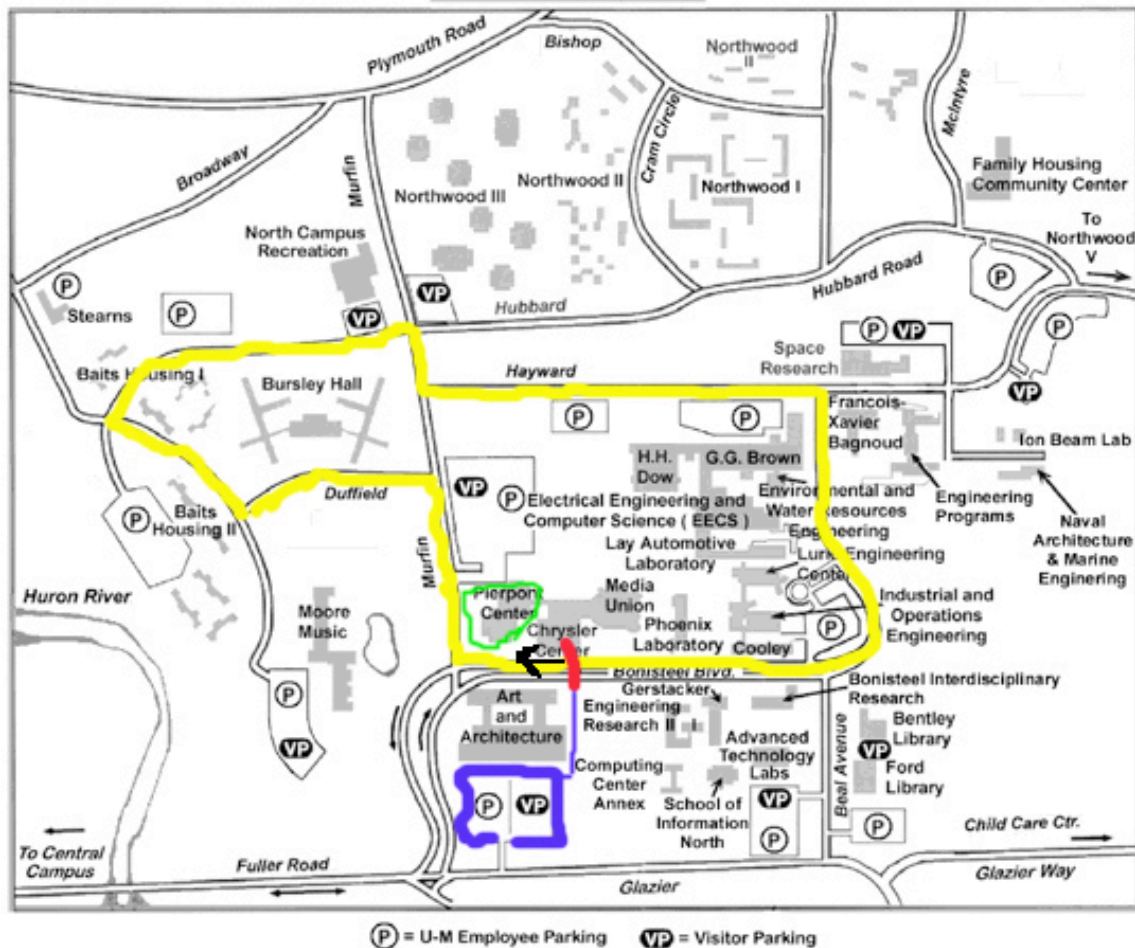

From I-94 east: Get onto US-23 North. Follow directions for US-23.

Registration There is no on-site registration for the ITT. **YOU MUST REGISTER FOR THE ITT AT THE NORTH CAMPUS RACE SITE.** Registration for ITT ends at the conclusion of the Men's A North Campus race.

Race Fees: Cost for races is \$13 per racer. Please make checks payable to "MICHIGAN CYCLING." Second race cost is \$11 per racer.

Warm-up for races: Please stay off the courses during warm-up and cool down while other races are taking place. Please also obey all traffic rules during warm-up and cool down. Please also stay off EB Bonisteel while warming up, as this road will be open to two-way traffic.

University of Michigan North Campus

North Campus Circuit Race:

The circuit race course is about 1.9 miles and starts and finishes in front of the Chrysler Center on Bonisteel. The race runs clockwise and follows the route marked in yellow on the map. The section on Murfin is a gradual uphill, followed by a flat section on Duffield, and a right turn into a steep uphill on Baits Drive. The rest of the route is flat or slightly downhill and will make for a very fast sprint finish.

Yellow Line Rule is in effect for the race and there will be a rolling closure.

Barton Hills Village ITT:

Map of the ITT course can be found at <http://www.gmap-edometer.com/?r=1618009>

The course is an out-and-back course. The course has been changed from last year, so it will actually be out and back. Total distance is a little over 7 miles, but it is very hilly and very technical. Roads will be open to traffic.
